

# 2021 Summer Meetings New Rule Results

**Completed – 6 out of 10 owners voted, plus Commissioner and Secretary = 8 votes.**

## Issue – Rosters

The following proposal is aimed to improve NAFL Rosters.

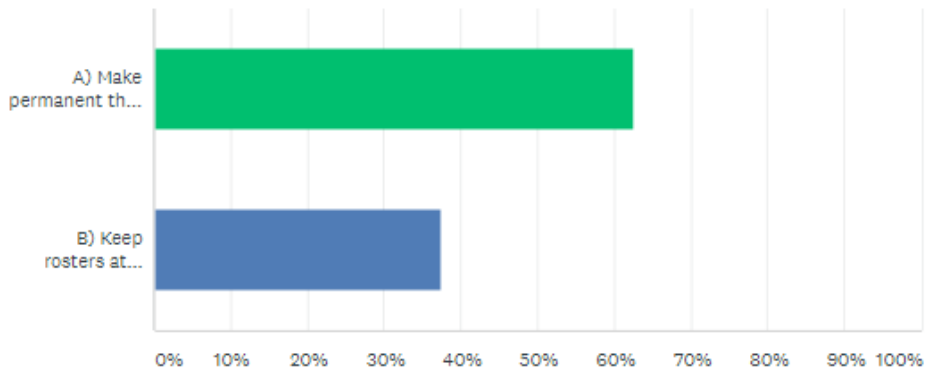

### Proposal A – Roster Size – Keep COVID -19 Roster Sizes (Select One) – Option A Passed

Due to the uncertainty of COVID-19 roster sizes were increased temporary so owners are asked if we should make the rule permanent.

- A) **Make permanent the COVID-19 Roster size of 26 players**, thereby adding two additional offensive players on a roster. The number of rounds in the draft will increase by 2 rounds so the total number of rounds will be 26 rounds.
- B) **Keep rosters at their PRE-COVID size of 24 players**. The number of rounds in the draft will be 24 rounds.

Proposal A – Roster Size – Keep COVID -19 Roster Sizes (Select One) Due to the uncertainty of COVID-19 roster sizes were increased temporary so owners are asked if we should make the rule permanent.

▼ A) Make permanent the COVID-19 Roster size of 26 players, thereby adding two additional offensive players on a roster. The number of rounds in the draft will increase by 2 rounds so the total number of rounds will be 26 rounds.	62.50% 5
▼ B) Keep rosters at their PRE-COVID size of 24 players. The number of rounds in the draft will be 24 rounds.	37.50% 3
<b>TOTAL</b>	<b>8</b>

## Issue – Competition

The following proposals are aimed to improve competition.

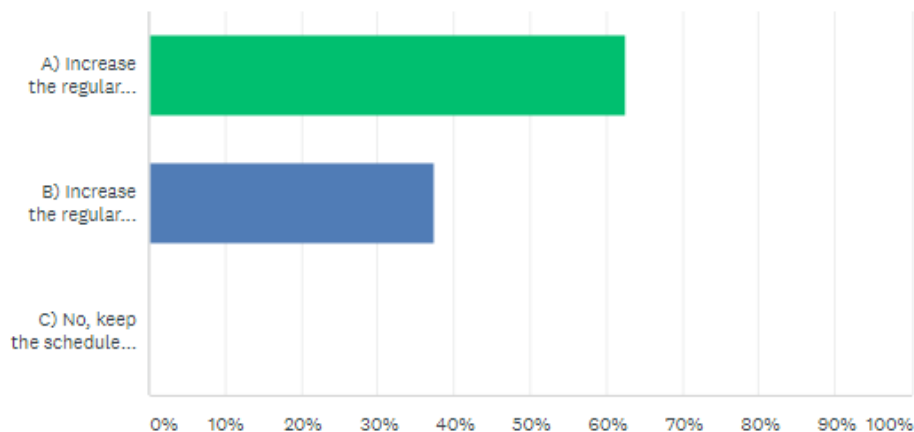

### Proposal B – Increase the NAFL schedule (Select One) **Option A Passed**

With the NFL increasing the regular season to 18 weeks, should the NAFL also increase the number of regular season games. Currently the NAFL plays a 13 game regular season and playoffs go from weeks 14 – 16. Thereby no fantasy football for the last two weeks of the season.

- A) Increase the regular season by **one game** making a 14 game regular season and playoffs go from weeks 15 – 17. Thereby no fantasy football for the last week of the season.
- B) Increase the regular season by **two games** making a 15 game regular season and playoffs go from weeks 16 – 18. There would be no off weeks with no fantasy football.
- C) No, keep the schedule the same at 13 games.

Proposal B – Increase the NAFL schedule (Select One)With the NFL increasing the regular season to 18 weeks, should the NAFL also increase the number of regular season games. Currently the NAFL plays a 13 game regular season and playoffs go from weeks 14 – 16. Thereby no fantasy football for the last two weeks of the season.

## Issue – Finances

The following proposals are aimed in improving league finances

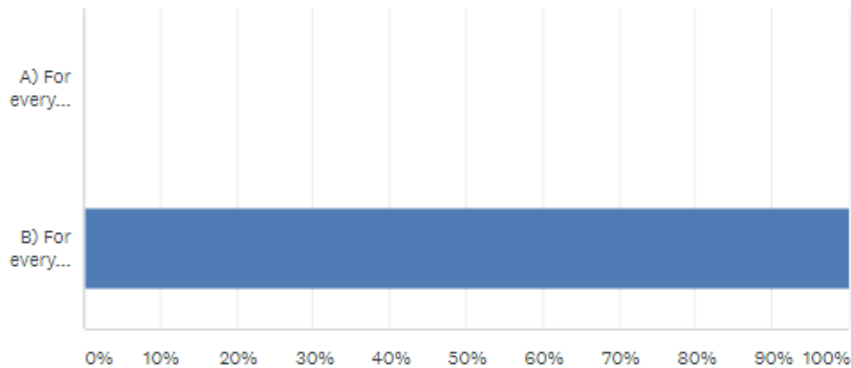

### Proposal C – Update League Finances (Select One) **Option B Passed**

With a potential having extra weeks of regular season play, the weekly pool will be increased by \$25 per week of competition. In order to finance this, we need to do one of the following approaches.

- A) For every additional week take \$25 out of the post-season pool decreasing it \$25 per week added.
- B) For every additional week increase league fees by \$25 or \$2.50 per team. Thereby not touching the Post-Season Pool.**

Proposal C – Update League Finances (Select One)With a potential having extra weeks of regular season play, the weekly pool will be increased by \$25 per week of competition. In order to finance this, we need to do one of the following approaches.
